

Giving the Gift of Spring Cleaning

*Rallying donations of cleaning, personal care,
& paper products through April 21, 2021*

Drop Boxes for donations located at
Lemont Park District Centennial or CORE buildings,
Lemont Police Station, & Starbucks

One year ago, we assisted the struggling in our community for 11 weeks, rallying extremely hard to find essential needs, then delivering this “relief” to their doors. These items are *still* essential needs that many homes here within our arm’s reach struggle to afford. Even those who qualify for assistance (SNAP/Pantry vouchers) are prohibited to purchase these needs with that assistance.

Your generosity of purchasing even just one item from the list will help fill bags that will supply cleaning products, paper products and personal care items to meet an basic essential need for a neighbor, right here, right now.

Drop off your donation(s) by April 21st to help meet a humble need for a friend within your arm’s reach!
Thank you for helping to provide this gift!

A Hope & Friendship Foundation Project

“a conduit from those that have to those that need”
