

**Hope & Friendship Foundation's
Mission Stay Caroling Night
Wednesday Dec 19th**

**Meet at the Lemont Police Dept
(14600 127th St.) at 6pm**

We have gathered for Mission Stay visits over the past 8 years in the spring, summer and fall arriving at homes to help seniors, disabled, those who have lost loved ones and those who are physically struggling with their yard work giving the gift of hands and feet.

On Wednesday December 19th I am hoping some will join me to visit those homes (as well as any you might have in mind) to arrive at these front doors and offer the gift of Christmas love in song embarking on
Mission Stay Caroling Night.

If you know of a senior, a widow/widower, a home bound that would be lifted from this gift of Christmas Spirit email me by Dec 16th so I can put together the list of homes to visit.

Seeking donations of baked goods to offer to those we visit to offer them sweets and song. Parents and adults are needed to help transport those who do not have a ride bring some young neighbors with you to help them appreciate what the gift of Christmas really is.

Please bring a flashlight if you can.
The light will make our group of
singing angels glow :-)
